Got questions about life

Alpha is a series of sessions exploring the basics of the Christian faith. Typically run over eleven weeks, each session looks at a different question that people can have about faith and is designed to create conversation. It's just an open, informal and honest space to explore and discuss life's big questions together. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation. Guests are also invited to a day away retreat toward the end of the course.

The next series of courses at Holy Redeemer Church will begin January of 2024. Contact alphaseries.hrc@gmail.com
